Your head is swollen, your heart is warm.  
The boy you fool will be of great form.

# *HISTORY*

Our Senior Class of 1958 began its 12 years of scholastic training in September of 1946.

Those eight years in grammar school passed slowly but with many achievements, defeats, failures, and much excitement.

Finally, the long awaited year came when we were Freshmen in high school, bringing the excitement of changing classes and teachers. Those with athletic abilities selected to be on the basketball team were Gayle Bailey, Gayle Ennis, Genevieve Langdon, and Cronin Byrd, who also participated in baseball.

Being familiar with high school, we returned to begin our Sophomore year with Mr. John Walker replacing Mr. N. G. Woodlief as principal. With him came many new rules and regulations.

Katherine Langdon was presented the home-economics award for her many achievements.

Additions to the ball clubs were Barbara Sherrill, B. A. Johnson, Atlee Roberts, Glenn Clifton, Mitchell Price, Chester Honeycutt, James Coats, and Weldon Byrd.

Highlights making our Junior year so outstanding were the production of the Junior Play and the Junior-Senior Banquet and Prom, sponsored by Mrs. L. D. Boyette and Mrs. Helen A. Gulley.

That year we welcomed Ronald and Donald Johnson from Wilson Mills and Harold Clifton from Four Oaks to our class.

We had two Juniors to distinguish themselves. They were Chester Honeycutt, who was awarded the chemistry medal, and Cronin Byrd, who was presented the history and math awards.

In sports activities Harold Clifton was placed on the basketball team, and Martha Johnson and Edith Byrd, on the cheering squad.

We selected our annual staff and ordered our class rings near the close of the year.

Class Marshals were Marie Beasley, chief, and Genevieve Langdon who ushered at Class Night when we presented rose arches to the Seniors.

At last the time most dreamed of had arrived. We were Seniors! One of our greatest thrills was receiving our class rings.

This is our history, and to you our Alma Mater we say farewell.

Joe -  
Well Joe I take this space to <sup>tell</sup> you just how much I have  
enjoyed being with you for the past two years. I never knew we would  
<sup>become</sup> friend that first day in Mrs. Boyette's room. Remember our up  
& down especially at the Banquet last year when you had  
to sit with Chester Honeycutt after the Banquet the prom especially  
the picture of you and Jaylon. "H. H.!" Our Senior Year  
I guess you & I enjoyed most of all. Remember the week I  
spent with you and the things we talked about especially one  
night. Our Senior Banquet Dance, you, & Pete. "H. H.!" Wonder why  
J. H. didn't go. In case I never tell you hair looks good again  
It surely did at the Banquet but it didn't at the Prom wonder why?  
Most of all our Senior trip to Washington, D.C. The picture of you  
& Sally on the bed, especially in the bath tub. Me & you - Chester  
coming home. Remember that night coming home when you were on  
the back seat & someone else & one more M. B. I told you what he  
asked me & also someone else, you wouldn't help me out.  
Remember the day we went to Angier you called for butter almond  
which you called. 'you know what.' & didn't get any after all.

Love you  
Peter Ann Johnson

I hope that the best of  
everything <sup>will</sup> be yours.  
I have enjoyed being in  
your class this year.  
I will always remember  
the Washington trip.  
always remember

B. A. Johnson  
(Perry)

Best of luck to a sweet girl.  
May you succeed in anything  
you attempt to do. Hope you  
and Gaylon have a wonderful  
married life together. Come to  
see Hubert and me sometimes.  
It has been swell having a  
classmate like you.

Love Always,  
Gis' member  
"H. H. M."

Jo,  
I don't know how to begin to tell you how much your friendship  
has meant to me this year. You are a very nice person and I'll  
never forget you. We have really had some Balls haven't we  
Remember our trip to Washington and all the fun we had. How  
about those pictures we took and all those Kent. Men didn't  
we live it up. Jo always be my friend and the kind of person  
you are now. I hope some day I'll be able to tell you my  
"Cousin". If you are lucky enough to get Gaylon<sup>(he)</sup>. you will have a  
wonderful husband. We really had some good times in Home room  
haven't we. Pete really does have "them" doesn't she? I knew it  
all the time. How about the trip to Selma and about that  
one special picture we made in Washington (in the tub)  
Man that was the most. Well Jo we haven't got much longer  
before we will graduate So here's wishing my best friend the  
very best of everything in years to come. Be good this summer  
and play it cool.

With Love Always,  
Gayle Ennis

"Jo,"

Here's hoping your future will be bright and happy.  
Don't forget all the good times we've had  
riding around. I'll never forget you as a  
close friend. May you and Jay find happiness  
always. Good Luck!

Love Always,

Barbara Johnson

All the times that we have had have been enjoyed by me and  
I hope that you have enjoyed them as much as I have. I will  
always remember you although you haven't been with our  
class all through high school. May your life be filled  
with happiness.
